Description of fiscal impact

HB 951 transfers \$30 million from the general fund to the Local Road and Bridge account at the Montana Department of Transportation (MDT). The funds will be expended in accordance with 15-70-132 (2), MCA.

FISCAL ANALYSIS

Assumptions

Department of Transportation

1. There is an existing statutory appropriation at MDT, for the local road and bridge account (15-70-132, MCA). This available funding for the appropriation will be increased by \$30 million as a result of HB 951.
2. The projected spend of the \$30 million appropriated to MDT will be determined during the next Tentative Construction Plan development cycle. For the purposes of this fiscal note, the spending is shown as \$10 million per fiscal year from FY 2026 through FY 2028.
