FISCAL ANALYSIS

Assumptions

Office of the Secretary of State

- As written, the fiscal impact cannot be determined.

Technical Concerns

- Section 1 of SB 494 requires the election administrator to "conduct a test of the 'election management system' when a new voting system is acquired and after an event that could alter the voting system...". "Election management system" is not a defined term which could be interpreted to mean a variety of things including the state's election management system (ElectMT) which is not connected to any voting systems. As written, the fiscal impact on the Office of the Secretary of State cannot be determined
