BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 18-4-132, MCA, is amended to read:

"18-4-132. Application. (1) This chapter applies to:

(a) the expenditure of public funds irrespective of their source, including federal assistance money,
by this state acting through a governmental body under any contract, except a contract exempted from this
chapter by this section or by another statute;

(b) a procurement of supplies or services that is at no cost to the state and from which income may
be derived by the vendor and to a procurement of supplies or services from which income or a more
advantageous business position may be derived by the state; and

(c) the disposal of state supplies.

(2) This chapter or rules adopted pursuant to this chapter do not prevent any governmental body
or political subdivision from complying with the terms and conditions of any grant, gift, bequest, or cooperative
agreement.

(3) This chapter does not apply to:

(a) either grants or contracts between the state and its political subdivisions or other governments,
except as provided in ~~this~~ part 4 [4](#);

(b) construction contracts;

(c) expenditures of or the authorized sale or disposal of equipment purchased with money raised

~~procedures or by direct purchase. Montana-produced food products may be procured by direct purchase when:~~

~~(i) — the quality of available Montana-produced food products is substantially equivalent to the quality of similar food products produced outside the state;~~

~~(ii) — a vendor is able to supply Montana-produced food products in sufficient quantity; and~~

~~(iii) — a bid for Montana-produced food products either does not exceed or reasonably exceeds the lowest bid or price quoted for similar food products produced outside the state. A bid reasonably exceeds the lowest bid or price quoted when, in the discretion of the person charged by law with the duty to purchase food products for a governmental body, the higher bid is reasonable and capable of being paid out of that governmental body's existing budget without any further supplemental or additional appropriation.~~

~~(b) — The department shall adopt any rules necessary to administer the optional procurement exception established in this subsection (4).~~

~~(5) — As used in this section, the following definitions apply:~~

~~(a) — "Food" means articles normally used by humans as food or drink, including articles used for components of articles normally used by humans as food or drink.~~

~~(b) — "Produced" means planted, cultivated, grown, harvested, raised, collected, processed, or manufactured."~~

NEW SECTION. Section 2. Procurement of food products -- rulemaking -- reporting. (1) Food

1 body's existing budget without any further supplemental or additional appropriation.

2 (2) The department shall adopt any rules necessary to administer the optional procurement
3 exception and reporting requirement established in this section.

4 (3) Except as provided in subsection (5), all contracts for the procurement of food products by a
5 governmental body with a total contract value of \$100,000 or more that are entered into or renewed after June
6 30, 2025, must include a provision that requires the vendor to provide the report described in subsection (4). A
7 vendor shall submit its report annually to the governmental body by the date prescribed by the department.

8 (4) For the purpose of complying with subsection (3), for the year preceding the date set by the
9 department, a vendor shall report:

10 (a) the total dollar value of food products purchased by the governmental body;

11 (b) the total dollar value of Montana-produced food products purchased by the governmental body;

12 and

13 (c) to the extent the vendor can provide this type of information, the total dollar value of Montana-
14 produced food products purchased by the governmental body in each of the following categories:

15 (i) meat, including but not limited to beef, poultry, pork, fish, sheep, and goat;

16 (ii) produce as defined in 80-3-302;
