Description of fiscal impact

HB 83 creates a missing and indigenous person's task force and appropriates \$1 state revenue authority to this account. This account is to be administered by the Department of Justice. No expenditures are anticipated in the 2027 Biennium since there is no cash and \$1 of spending authority.

FISCAL ANALYSIS

Assumptions

1. HB 83 creates, in Section 1, a missing and indigenous person task force account to be administered by the Department of Justice (DoJ) and appropriates \$1 from the newly created account.
2. The DoJ assumes no expenditures associated with the account in the 2027 Biennium, based on only \$1 being appropriated and no revenue into the account. Expenditures in the future will be dependent on available revenue.
3. The amendment to the bill merely clarifies that the state special revenue fund is subject to legislative audit.
