2 (1) embrace only a single comprehensive subject;

3 (2) set out fully the ordinance sought, the ordinance to be amended and the proposed amendment,  
4 or the ordinance to be repealed;

5 (3) be in the form provided by [sections 1 through 13]; and

6 (4) contain transition provisions if the measure changes terms of office or forms of government.

7

8 **NEW SECTION. Section 4. Procedure for election on local government petition.** (1) Except as  
9 provided in 7-5-131, the electors of a local government may, by petition, request an election on whether to  
10 enact, repeal, or amend an ordinance.

11 (2) Except as provided in [section 9(3)], a petition under [sections 4 through 10] signed by at least  
12 15% of the local government's qualified electors is sufficient to require an election. In order to determine the  
13 number of signatures needed on a petition to meet the percentage requirements of this subsection, the number  
14 of electors must be the number of individuals registered to vote at the preceding general election for the local  
15 government.

16 (3) (a) Before a petition may be circulated for signatures, a sample petition must be submitted in  
17 the form in which it will be circulated to the county election administrator. On receiving the sample petition, the  
18 county election administrator shall designate a ballot issue and its number pursuant to subsection (3)(b) and  
19 then promptly refer a copy of the sample petition to the attorney for the relevant local government unit.

20 (b) The election administrator shall serially number all submitted petitions that are approved as to  
21 form continuously from year to year. The numbering system must distinguish the different types of petitions  
22 received and include provisions for numbering measures referred to the people by a governing body. The  
23 election administrator may distinguish the numbering system for each local government unit.

24 (4) (a) The local government attorney shall review the sample petition for proper form and  
25 compliance with 7-5-131 and [sections 1 through 13].

26 (b) If the sample petition is rejected as to form, within 21 days after submission of the sample  
27 petition, the local government attorney shall send written notice and a statement of the reasons for rejection to

1 the person who submitted the sample petition and the county election administrator.

2 (c) If the sample petition is approved as to form, within 21 days after submission of the sample  
3 petition, the local government attorney shall send written notice to the person who submitted the sample  
4 petition and the county election administrator. This notice must include the statement of purpose and  
5 implication and the ~~statements of implication yes and no statement~~ prepared by the local government attorney  
6 pursuant to subsections (5) and (6) of this section.

7 (5) If the sample petition is approved as to form, the local government attorney shall prepare a  
8 concise statement of purpose and implication not exceeding 135 words. The statement of purpose and  
9 implication must be an accurate and impartial explanation of the purpose of the proposed ballot issue in plain,  
10 easily understood language. The statement may not be an argument and may not be written so as to create  
11 prejudice for or against the issue. The statement prepared pursuant to this subsection, unless altered by court  
12 order, must be used as the petition title and the ballot statement if the issue is placed on the ballot. For the  
13 purposes of this subsection (5), the word limit does not apply to additional statements required on the ballot by  
14 law, including those provided in 7-7-111 and 15-10-425(3).

15 (6) (a) At the time the statement of purpose and implication is prepared, the local government  
16 attorney shall prepare a yes and no statement. A yes and no statement specifies that a positive vote indicates  
17 support for the issue and a negative vote indicates opposition to the issue. ~~of the implication of a vote for and a~~  
18 ~~statement of the implication of a vote against the ballot issue. Unless otherwise provided by law, each~~  
19 ~~statement of implication may not be more than 25 words and must be in simple, impartial language that clearly~~  
20 ~~explains the meaning of a vote for or a vote against the issue. Each statement of implication prepared pursuant~~  
21 ~~to this section, unless altered by a court order, is to be used on the petition and the ballot if the issue is placed~~  
22 ~~on the ballot. The statements of implication must be placed beside the diagram provided for marking of the~~  
23 ~~ballot in a manner similar to the following example:~~

24 ☐ ~~FOR weekly commission meetings.~~

25 ☐ ~~AGAINST weekly commission meetings.~~

26 (b) The yes and no statement must be placed beside the diagram provided for marking of the

8  
9 **NEW SECTION. Section 5. Form of petition.** (1) A local government petition must be substantially in  
10 the form provided by [sections 4 through 10]. Clerical or technical errors that do not interfere with the ability to  
11 judge the sufficiency of signatures on the petition do not render a petition void.

12 (2) (a) Petition sheets may not exceed 8 1/2 x 14 inches in size. Separate sheets of a petition may  
13 be fastened in sections of not more than 25 sheets.

14 (b) Near the top of each sheet containing signature lines must be printed the number of the  
15 ordinance referred or the petition title. If signature lines are printed on both the front and back of a petition  
16 sheet, the information required above must appear on both the front and back of the sheet.

17 (c) The complete text of the issue proposed or referred must be attached to or contained within  
18 each signature sheet if sheets are circulated separately. The text of the issue must be in the format prescribed  
19 by the governing body pursuant to 7-5-103(1) and, unless otherwise provided by the governing body of the local  
20 government, use the style and language and form guide of the most recent edition of the bill drafting manual  
21 furnished by the legislative services division. If sheets are circulated in sections, the complete text of the issue  
22 must be attached to each section.

23 (3) An internet posting of petition language must include a statement that the petition language  
24 and format may not be modified. An internet posting must include an affidavit in substantially the same form as  
25 provided in [section 6].

ON THE ELECTION BALLOT

(a) If [insert appropriate percentage of voters or appropriate number of voters] of [insert appropriate local government unit] voters sign this petition, this proposal will appear on the election ballot of [insert appropriate local government entity] to be conducted on [insert date of election]. If a majority of voters vote for this proposal at that election it will become law.

(b) We, the undersigned [insert appropriate local government entity] voters, propose that the county election administrator place the following proposal on the election ballot:

(Petition title written in conformity with [section 4])

~~(Statements of implication Yes and no statement~~ written in conformity with [section 4])

(c) Voters are urged to read the complete text of the proposal, which appears (on the reverse side of, attached to, etc., as applicable) this sheet. A signature on this petition is only to put the proposal on the ballot and does not necessarily mean the signer agrees with the proposal.

(d)

**WARNING**

A person who purposefully signs a name other than the person's own to this petition, who signs more than once for the same issue at one election, or signs when not a legally registered Montana voter is subject to a \$500 fine, 6 months in jail, or both.

(e) Each person is required to sign the person's name and list the person's address or telephone number in substantially the same manner as on the person's voter registration form or the signature will not be counted.

(5) Numbered lines must follow the heading. Each numbered line must contain spaces for the signature, date, residence address, and printed last name and first and middle initials of the signer. In place of a residence address, the signer may provide the signer's post-office address or the signer's home telephone number. An address provided on a petition by the signer that differs from the signer's address as shown on the signer's voter registration form may not be used as the only means to disqualify the signature of that petition signer.

8 taken, the question need not be submitted to the electors. If the county election administrator has already  
9 certified the ballot issue pursuant to [section 9], the results of the election are void.

10 (2) If the governing body does not within 60 days take the proposed action and the ballot issue is  
11 certified by the county election administrator, then the question must be submitted to the electors at the election  
12 specified in the petition.

13

14 NEW SECTION. Section 9. Submission of signatures -- certification -- election. (1) Signed  
15 sheets or sections of petitions with original signatures must be:

16 (a) collected and filed with the official responsible for the registration of electors in the county in

**NEW SECTION. Section 10. Delay of effective date of ordinance -- suspension of emergency ordinance.** (1) If an approved petition containing sufficient signatures is filed prior to the ordinance's effective date or within 60 days after the passage of the ordinance, whichever is later, a petition requesting an election on whether to amend or repeal the ordinance delays the ordinance's effective date until the ordinance is ratified by the electors.

(2) If an approved petition containing sufficient signatures is filed within 60 days after the effective date of an emergency ordinance, the emergency ordinance is suspended until it is ratified by the electors.

**NEW SECTION. Section 11. Ballot issue referred by governing body of local government.** (1) A governing body of a local government may refer an existing or proposed ordinance to a vote of the people by resolution.
