Description of fiscal impact

HB147 amends Section 70-17-210, MCA, to provide a clear definition of "enforcement action" in relation to covenants, conditions, and restrictions on land use. Specifically, it stipulates that an enforcement action must demonstrate that the covenant has been consistently enforced across all properties subject to it for a minimum period of two years. This change aims to clarify the conditions under which a parcel owner can assert that a covenant has been abandoned due to lack of enforcement.

FISCAL ANALYSIS

Assumptions

Department of Natural Resources and Conservation

1. The definitional change called for in HB 147 does not affect DNRC because state trust lands are not subject to covenants.
