Description of fiscal impact

This bill reinstates the normal retirement age changed in the 2023 session for the Highway Patrol Officers' Retirement System (HPORS) and the Sheriffs' Retirement System (SRS). Currently a member in HPORS or SRS hired on or after July 1, 2023 has to reach both 50 years of age and complete at least 20 years of membership service to be eligible for a nonforfeitable service retirement benefit. SB 7 would change this to allow a member to be eligible for a nonforfeitable service retirement benefit if they either reached age 50 or completed 20 years of membership service, whichever occurs later.

FISCAL ANALYSIS**Assumptions**

1. A vested member hired after July 1, 2023, will reach normal retirement age when they have either reached age 50 or completed 20 years of membership service, whichever occurs later.
2. SB 7 is effective upon passage and approval.
3. SB 7 if passed will be retroactive to members of Highway Patrol Officers' Retirement System (HPORS) and Sheriffs' Retirement System (SRS) hired on or after July 1, 2023.
4. HPORS
 - a. The normal cost rate for HPORS will change from 26.39% to 26.47%.
 - b. The actuarial accrued liability (AAL) would increase by \$21,000.
 - c. The increase in the AAL increases the unfunded actuarial accrued liability (UAAL) rate by .02% from 21.69% to 21.71%.
 - d. The increase in the AAL reduces the funded ratio from 77.62% to 77.61%
5. SRS
 - a. The normal cost rate for SRS will change from 15.480% to 15.60%
 - b. The actuarial accrued liability (AAL) would increase by \$97,000.
 - c. The increase in the AAL increases the unfunded actuarial accrued liability (UAAL) rate by .010% from 7.094% to 7.104%.
 - d. The increase in the AAL reduces the funded ratio from 82.82% to 82.81%.
