Description of fiscal impact

The Department of Revenue by statute reappraises (sets the property tax market or productivity value) every two years for class three (ag land), class four (residential and commercial), and class 10 (forest land) property. The DOR estimates the values (15-7-111, and 5-11-210, MCA) of these types of property and the calculated class tax rates that would be taxable value neutral to the Legislative Revenue Interim Committee (5-5-227, MCA) in November of the second year of each reappraisal cycle (even calendar years). SB 237 requires the Revenue Interim Committee to make a recommendation to the next Legislature about whether to revise property tax rates based on this report. The Revenue Interim Committee typically has completed the interim business on or around the November before session. Due to the timing of this report, the Revenue Interim Committee will need to have one extra meeting to meet the obligations of SB 237.

FISCAL ANALYSIS

Assumptions

Legislative Branch

1. SB 237 requires the Interim Revenue Committee to provide a recommendation to the next legislature about whether to revise property tax rates for class three (15-6-133, MCA), class four (15-6-134, MCA), and class 10 (15-6-143, MCA) property types based on reporting provided by the Department of Revenue (15-7-111, MCA and 5-11-210, MCA).
2. Due to the timing of this report, the Revenue Interim Committee will require one extra meeting to meet the obligations of SB 237 due to the timing of the report. This meeting can be held online via Zoom.
3. The cost of one extra zoom meeting is \$1,693.20 for the 2027 Biennium. This is for current salary of 12 committee members for 1 zoom meeting (1 zoom meeting x 12 members x \$141.10 salary/taxes = \$1,693.20)

4. HB 13, section 4, is pending adoption to change legislator pay to be 80% of the average hourly wage from the United States bureau of labor statistics and to update 5-2-301, MCA. If passed, legislators would receive this increase at the start of the 2027 session.
5. The cost for one extra zoom meeting is \$2,516.11 for the 2029 Biennium. This is for salary of 12 committee members for 1 zoom meeting (1 zoom meeting x 12 members x \$209.68 salary/taxes = \$2,516.11) The salary and benefits calculation has been adjusted based on the assumed passage of HB 13.

Department of Revenue

1. The recommendation of adopting tax rates would not affect property taxes or require any extra work for the department.
