If the Montana State Lottery Division does not conduct a request for proposal to obtain its contract for gambling services the division's proprietary authority will be reduced by \$500,000 in both fiscal years of the 2027 biennium.

The Legislative Audit Division will conduct a performance audit in the 2027 biennium of the Montana State Lottery contract procurement process.

Fig. 201 2026

In each fiscal year of the 2027 biennium, if the Department of Administration is not able to deliver draft statewide financial statements to the Legislative Auditor by October 31, the Director of the Department of Administration shall make a written report to the Legislative Audit Committee explaining the reasons for any delay and identifying whether any specific agencies or component units have not provided information to the department in a timely manner.

It is the Legislature's intent that the gambling services contract require the new contract winner to pay up to \$50,000 a year for problem gambling addiction services.
