11	Section 1. Section 20-10-141, MCA, is amended to read:		
12	"20-10-141. Schedule of maximum reimbursement by mileage rates. (1) (a) The mileage rates in

14	transportation from state and county sources of transportation revenue under the provisions of 20-10-145 and		
15	20-10-146. These rates may not limit the amount that a district may budget in its transportation fund budget in		
16	order to provide for the estimated and necessary cost of school transportation during the ensuing school fiscal		
17	year.		
18	(b) All bus miles traveled on bus routes approved by the county transportation committee are		
19	reimbursable.		
20	(c) Nonbus mileage is reimbursable for a vehicle driven by a bus driver to and from an overnight		
21	location of a school bus when the location is more than 10 miles from the school.		
22	(d) A district may approve additional bus or nonbus miles within its own district or approved service		
23	area but may not claim reimbursement for the mileage.		
24	(e) Any vehicle, the operation of which is reimbursed for bus mileage under the rate provisions of		
25	this schedule, must be a school bus, as defined by this title, driven by a qualified driver on a bus route approved		
26	by the county transportation committee and the superintendent of public instruction.		
27	(2) (a) The rate for each bus mile traveled must be determined in accordance with the following
