Description of fiscal impact

HB 808 codifies and clarifies the implementation of the federal brownfields program by the Department of Environmental Quality (DEQ) and creates a state brownfields program. It provides DEQ authority to develop rules describing the implementation of the state brownfields program. There is a general fund transfer of \$500 per fiscal year for FY 2026 and FY 2027 into the brownfields site redevelopment fund.

FISCAL ANALYSIS

Assumptions

- 1. The Department of Environmental Quality (DEQ) can draft and adopt rules for the state brownfields program created by HB 808, as amended with existing FTE.
- 2. Implementation of the federal brownfields program is funded with federal brownfields grants.
- 3. As there is minimal funding allocated to the state brownfields program, DEQ does not require resources to implement HB 808, as amended.
- 4. There is a general fund transfer of \$500 per fiscal year in FY 2026 and FY 2027 to the brownfields site redevelopment fund.
